

New to Chatham County and want to know what public services are available? Been here for a while and want to understand more about who runs county government? Interested in public schools, water quality, broadband, public safety, elections, public health, agriculture, or taxes?

Community leaders on these and similar topics will discuss them in a series of Zoom talks sponsored by the Chatham County Democratic Party. All Chatham residents are welcome to join the Zooms and learn more about this exceptional county.

The next Zoom talk will be held on **Tuesday, August 19 at 7pm**. Our guest will be Tracy Burnett, Director, Chatham County Parks, Recreation, and Cultural Resources. The Zoom link:
